

Hollybed Farm Meadows Nature Reserve: Managing the Living Landscape

Castlemorton Environmental Action Group presents a talk by Andrew Forecast from the Worcestershire Wildlife Trust at Castlemorton Parish Hall

Thursday 29th September 7:30pm

Hollybed Farm Meadows lies between New Road and Hollybed in Castlemorton and is an ambitious project to restore wildflower rich meadows.

Find out how this local project has developed over the ten years since the Worcestershire Wildlife Trust acquired this site.

Andrew will explain what the Trust set out to achieve and progress to date with a chance for Q and A.

Free entry, tea and coffee.
