Castlemorton Environmental Group

Update 2026

CEG has continued to meet regularly as a committee to plan a programme of events and activities to raise awareness of environmental issues and encourage engagement with the local community.

Over the last year we have:
- organised **regular talks** on a wide range of topics
- distributed **free tree saplings**
- helped Worcestershire Wildlife Trust **plant trees** at a farm in Castlemorton
- screened the **environmental films** 'The seeds of Vendana Shiva' and 'Derek vs Derek' in collaboration with Morton Majestic
- successfully **obtained a grant** for a local resident to plant an orchard
- maintained our **website** on Castlemorton Hub
- continued the **bat count** at the Parish Hall
- continued with the **Churchyard biodiversity project**
- continued to run the **Black Poplar tree project**
- organised a **'mini pond' project at Castlemorton Primary School**
- continued our **collaboration** with other local groups – this has included attending the local **Biodiversity Collaboration** and jointly hosting a screening of the **National Emergency Briefing** with the **Welland** and **Hanley** groups.
